

SLEDGING: We suggest you some itineraries for sledging in addition with walking or snowshoeing. You can also have lunch or dinner in a mountain hut.

Descent from Scoiattoli Mountain Hut - 5 Torri

During the Winter season, the small mountain road from "**Cian Zopé**" – on the road to Passo Falzarego – up to Rifugio Scoiattoli is groomed. The "rifugio" lies in the area of 5 Torri, at 2255 m and is always open from December to April.

The track is 4 km long, with a vertical drop of 550 m. You can walk up the nice small road, it takes about two hours, or you may find more convenient the chairlift of 5 Torri starting from Bai de Dones. If you choose to use the uphill facility, you should bear in mind that the descent by sled will lead you about 3 and a half km away from the chairlift car-park. However, a regular bus service (Dolomitibus) is available throughout the winter season.

Every Wednesday and Saturday, the Rifugi **Scoiattoli** and **Averau** organise dinners of high-quality cuisine.

For the occasion, the 5 Torri chair lift stays open to take guests to the Scoiattoli (the appointment at Bai de Dones is for 8 p.m. – punctuality is essential).

The Rifugio Averau can be reached from the Scoiattoli by snowmobile.

At the end of the dinner, you can go down on skis, by sledge, by snowmobile or on foot, under the stars.

The lights of the chair lift stay on all night to light your way down the slope.

Booking is required.
